GLIMP

who's that guy, as busy as a fly
watching his fleshy things go by
behind that shiny glasses of his
he's getting eye to eye
it's the pimp, catching a glimps
of his 'things' go by
it's the pimp, catching a glimps
of his 'things' go by

it's the pimp catching a glimps (4x)

who's that guy, as busy as a fly
his decorum seems so gratifying
but it's a pimp, remains a pimp
until he dies
it's the pimp, remains a pimp
until he dies

it's the pimp catching a glimps (3x)
