ARMY

don't Wanna Join The army,
unreasonable kill somebody,
army, army,
In this system of militarism,
to stop communism.
Don't Wanna Join the army,
no any war for me,
To march all in same uniform,
Training with your gun in a snowstorm,
to join a race from stripes and stars,
glad to drive in officerly cars,
under duress and discipline,
Think there is a war to win,
don't Wanna Join THE ARMY
unreasonable kill somebody
